

GLOBAL CHILDREN'S NETWORK - Central America

Click on photo to view an interview with Ana & Bartolino of the BriBri Nation

We want to extend our heartfelt thanks for all the support and generous donations during our partner dinner on October 1. We were inspired by Dr. Jack Eggar's sharing of the visions and plans for the BriBri Project.

So far, we have raised \$75,000, just shy of the reaching our \$100,000 goal!
